October 2026

Application: French Game Tester (LQA / FQA), Tokyo

Dear Digital Hearts team,

My name is Sabri Mohamadi. I am French, I live in Tokyo, and from 2023 to 2025 I was Global Associate Producer on the Little Nightmares franchise at Bandai Namco Entertainment Europe. I am writing to apply for the French Game Tester position (LQA and FQA) at your TOKYO Lab.

Testing a game well comes down to details: a truncated French line, a crash on one platform, a missing step in a bug report. At Bandai Namco I saw those details every day in QA and localization reports, across three games and twelve platforms, and I would now like to work on them directly.

Besides French, English is my working language, and I understand most spoken Japanese. I trained as a programmer, I am comfortable with Jira, Confluence and Microsoft Office, and I play a lot, from rhythm games such as osu! and Muse Dash to Monster Hunter: World.

I live in Tokyo on a working holiday visa, so I am already authorised to work in Japan. I can work several days a week, start right away, and would be glad to grow into a longer contract with your team. My CV is at **sabri-mohamadi.fr**. Thank you for your time and consideration.

Kind regards,

Sabri Mohamadi
