LangLink Games hiring team, Tokyo

October 2026

Application: Gaming Localization Specialist (In-game LQA), English to French

Dear LangLink Games team,

My name is Sabri Mohamadi. I am French, I live in Tokyo, and from 2023 to 2025 I was Global Associate Producer on the Little Nightmares franchise at Bandai Namco Entertainment Europe. I am writing to apply for the part-time Gaming Localization Specialist (In-game LQA) role, English to French.

A French line that reads well in a spreadsheet can still break on screen: too long for its button, wrong for its context, or out of tone with the character. I saw this every day at Bandai Namco, working with localization and QA teams, and I would like to do this work directly.

Besides French, English is my working language, and I understand most spoken Japanese. I am used to **Jira**, bug reporting and reviewing pre-release builds with external studios. I trained as a programmer and I play a lot, from rhythm games such as osu! and Muse Dash to Monster Hunter: World.

I live in Tokyo on a working holiday visa, so I am already authorised to work in Japan. I can work on-site in Hatchobori during Japan hours and start right away. My CV is at **sabri-mohamadi.fr**. Thank you for your time and consideration.

Kind regards,

Sabri Mohamadi
