ICHIGO Inc. recruitment team, Tokyo

October 2026

Application: Business Development, ICHIGO (TokyoTreat, Sakuraco)

Dear ICHIGO team,

My name is Sabri Mohamadi. I am a Producer based in Tokyo, and from 2023 to 2025 I was **Global Associate Producer on the Little Nightmares franchise** at Bandai Namco Entertainment Europe. I am writing to apply for the Business Development position at ICHIGO.

Since moving to Tokyo, I spend a lot of my free time showing Japan to people abroad through my YouTube channel, I am Hika, which I write, film and edit alone. ICHIGO does the same thing with a box: it brings a piece of Japan to people who cannot come here yet. I would like to help it grow into new markets.

At Bandai Namco I was part of the core team behind the franchise's worldwide strategy. I worked with partners in several countries, external studios, vendors and Bandai Namco Entertainment in Japan, and I reported to stakeholders and the IP holder. I learned how to turn a goal into a plan, follow it with partners who do not report to you, and explain progress clearly to decision makers.

The role asks for business planning and partner negotiation. My most direct experience there is with Hiqub, a collective of independent creators, where I helped as Producer and Business Developer: making introductions, advising on production and helping projects find the right partners. It was smaller in scale, and I am ready to learn the rest with your team.

Your team brings together people from many countries, which is the setting where I have been most useful. French is my native language and English my working language. I understand most spoken Japanese and hold everyday conversations; reading and writing are still behind, and I take classes in Tokyo to close that gap.

I am available now. My portfolio is at **sabri-mohamadi.fr**. Thank you for your time and consideration.

Kind regards,

Sabri Mohamadi
