**PRODUCER · GAME DESIGNER** aka Hikali

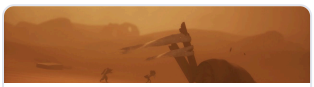

◆ Based in Tokyo · Available now · Open to remote or relocation

## PROFILE

Producer and Game Designer based in Tokyo. I work freelance with indie teams and teach Producing and Game Design at Ynov Campus. From 2023 to 2025 I was **Global Associate Producer on Little Nightmares at Bandai Namco Entertainment Europe**, part of the core team behind the franchise's worldwide strategy, and helped ship **three games across console, PC, VR and mobile**. I trained as a programmer and still code and prototype my own games.

## EXPERIENCE

### Freelance Producer & Game Designer · Hikalith

JAN 2025 – NOW

Lyon, then Tokyo

- Indie creators, collectives and small studios: **production setup and tracking**, playtests, **gameplay and accessibility reviews**.
- Worked with the Hiqub collective of independent creators as **Producer and Business Developer** (gameplay reviews, production advice, introductions).

### Visiting Lecturer · Ynov Campus

2025 – NOW

Lyon and Ynov Connect · teaching remotely from Tokyo

- Teach **Producing, Game Design, Level Design and programming fundamentals**, from first-year Bachelor's to Master's level, and consult for the school.

### Global Associate Producer · Bandai Namco Entertainment Europe

JUL 2023 – JUL 2025

Lyon, France · Little Nightmares franchise

- Part of the core team behind the franchise's **worldwide strategy**. Worked on three projects in parallel with **Supermassive Games, Iconik and Playdigious**, plus porting work with **Engine Software**.
- As the IP holder's team, took part in **game design meetings and decisions**, with regular proposals to the studios.
- Tracked milestones and deliveries, kept QA, analytics, localisation, marketing and communications aligned, and reported progress to stakeholders and the IP holder. Rebuilt tracking in Jira, Confluence and SharePoint and **automated a weekly report that used to take a full day**.
- Worked with **Bandai Namco Entertainment in Japan**: presented major milestones during their visits and handled requests for demos, assets and feedback.
- Sat on the **accessibility task force**: benchmarked leading games, wrote the team's **must-have accessibility document**, turned an audit into a prioritised backlog that shipped.

### Production Lead, games incubator · Nightmare Games (Ynov)

2022 – 2023 · 6 MO

- Ran one schedule for **six game projects and around forty people** and coached their project leads. A few of them later became my first freelance clients.

### Apprenticeships · alongside my degrees

2020 – 2022

- **Consultant & Trainer at Inov'Xper** (2021–22): automated client processes with Microsoft 365, Power Automate and SharePoint, then trained their teams. **Developer at Boa Concept** (2020–21): UI and internal tools.

## PERSONAL PROJECTS

**NaJiKi** (2024, horror, Unity, on hold): Game Designer and Producer. Pitched at competitions, it **won funding support on French streamer Maghla's show**. **MyHome?** (2020, Bachelor's year 3, escape game, Unreal): Technical Game Designer. Game jams: **The Last Supermarket Before Apocalypse** and **Le voyage de Mochihiro**.
